**Communication Devices and Associated Services Policy**

Use of departmental Internet access, online systems and email systems must be consistent with the Department's Communication Devices and Associated Services Policy and the Department's Code of Conduct.  
Departmental communication devices are provided for business use. It is and employee's and student's responsibility to be lawful, ethical and efficient in the use of the use devices.  
Using the Department's communication devices to seek out, access or send any material of an offensive, obscene, pornographic, threatening, abusive or defamatory nature may result in disciplinary or legal action. Personal information must only be accesses, collected and used in accordance with the Privacy and Personal Information Protection Act 1998 and related departmental policies.  
Copies of the related departmental policies can be found on the Department's departmental policies and procedures website. Failure to comply with these requirements may result in disciplinary or legal action.  
The Department conducts surveillance and monitoring of its computer systems to ensure the ongoing confidentiality, integrity and availability of business and education systems. Monitoring will be conducted in accordance with the NSW Workplace Surveillance Act 2005.  
Proceeding beyond this point indicates your agreement with these conditions.

**NOTE: You must reauthenticate every day before you can use the internet at school so add <http://detnsw.net> to Bookmarks or Favorites.**
